Disclaimer: All due care is taken to ensure that this information is correct, however it may be subject to change. Please check with Kimberley Training Institute staff when applying or enrolling.

Skills Recognition: Did you know you can receive a qualification without undergoing formal training? Skills Recognition is a process that allows you to seek and gain recognition for your skills, no matter where or how these were acquired. It could be through work experience, education, training or life experience.

Numeracy and Literacy Support: Numeracy and literacy assistance is available. We will work with you to help develop the specific skills required for your course such as reading, writing, maths, computing and organisational skills.

2014 Fees: Fees for 2014 will vary according to the type of course you are studying. Priority training areas have been identified (apprenticeships and traineeships, priority industry qualifications and foundation skills courses) which will have lower fees than other qualifications. Higher level qualifications (Diploma and Advanced Diploma) will allow income contingent loans for eligible students, enabling you to study now and pay later, when you’re working. If you want to learn more about how fees are calculated, visit the Department of Training and Workforce Development’s Future Skills website.

VET FEE-HELP: VET FEE-HELP is an income-contingent loan scheme that assists eligible students to pay for all or part of their Vocational Education and Training (VET) tuition fees when studying one or more eligible VET courses. Kimberley Training Institute is an approved VET provider under the VET FEE-HELP Assistance Scheme. VET FEE-HELP is only available for higher level Vocational Education and Training (VET) - diploma qualifications and a trial of approved certificate IV courses.
